

The organizers cannot take any responsibility for any loss/damage to personal property whilst on any Xsite Site. All participants must read and sign the following agreement before commencement of play to show they understand and will abide by the site rules

### Suitability to Participate

I declare I am suitably fit and able to participate in the sport of Airsoft Skirmishing at Xsite Airsoft. I do not have any existing injuries or illnesses (other than those listed at the bottom of this form) that will endanger myself or others while I participate in Airsoft Skirmishing. I will bring any pertinent Conditions to the attention of Xsite Marshals on each and every skirmish I attend while this document is in place. These include, but are not limited to :- Asthma, heart conditions, Diabetes, Epilepsy, physical disability, eye conditions.

Signature Player	parent or Guardian (if player is 16 or under)
------------------	--

- Airsoft is an adrenaline filled action based game where participants shoot airsoft guns at one another, there is a risk of receiving minor injuries such as cuts and bruising from this and a greater risk from trips or falls associated with playing such games in a woodland or urban environment.
- We strongly advise you wear strong footwear with ankle support
- ALL safety instructions given by directing staff must be followed at all times
- All players must attend a safety briefing
- Move around the site in a safe and responsible manner, the ground will be uneven, there will be drops and it may be slippery, there may be overhead obstacles, exercise caution when moving
- We recommend you wear a full face mask for the event, At your own risk the minimum protection required is shooting glasses. Be aware these do not offer the same protection as a full face mask, they have edge gaps and do not protect your face or teeth. Players under 16 MUST wear full face protection.
- Head shots must be avoided if possible, especially at close range
- Site fps limits. All measured with a 0.2g BB. AEG and pistols 350 max, DMR semi auto 450. Spring sniper 500. DMR and spring sniper have 30 m min engagement distance. Users must be 18 + and certified by site
- You are agreeing to be shot by airsoft guns at the above velocity
- Only pyrotechnics approved by site staff may be used, Max Mk 5 or similar. Heavy pyro must be used underarm. Nobody under 18 to use Pyro
- We operate a "NO BLIND FIRING" Policy
- No blades or knives are allowed on site, except tools used for gun repair, only LARP safe hand weapons.
- The consumption of alcohol or non prescription drugs is forbidden on site
- Smoking is not allowed in buildings or covered areas with 3 sides or more
- All litter is to be placed in suitable receptacles supplied by site staff
- I agree for my details to be kept on computer by Xsite Airsoft, under the data protection act we will not disclose your details to any other body or individual and will only use them for information on airsoft games and contact details. At your request or at the end of the document expiry we will remove your details

I agree to adhere to all the above rules whilst playing at any Xsite Venue and understand I alone take full responsibility for any loss/damage to property or personal injury while playing at Xsite Airsoft

By Signing this declaration you are agreeing you:-

- A) have been given a safety briefing/been briefed on the risks involved B) Accept these activities are dangerous and can result in death or injury C) Accept the risks and are responsible for your own actions and/or involvement D) You are at least 11 years old
